

Zombie Packing Machine (AR-Zombie)

Heavy-duty multi-purpose packing machine with precision sealing and inverter-controlled drive.

INDUSTRIAL PACKAGING

PRODUCT OVERVIEW

Zombie Packing Machine

The AR Zombie Packing Machine is a robust multi-purpose packaging system for continuous industrial production. It is built for stable sealing, flexible operation, and long service life across confectionery and portion-pack applications.

KEY FEATURES

Precision sealing system for consistent pack integrity

Variable speed drive for production flexibility

Heavy-duty frame for continuous operation

Operator-friendly adjustments for daily production

Compatible with standard packaging films

APPLICATIONS

Toffee

Candy

Confectionery pouches

Small portion packs

BENEFITS

Reliable sealing for production consistency

Designed for industrial duty cycles

Local manufacturing support and spare parts

Configured around product, film and output target
